

Have a party, have fun, have a cold, have a problem,  
have good \_\_\_\_\_, have a get-together...  
have a test, have trouble, have \_\_\_\_\_, have plans...  
have a good time...you have it in you.

Let's have a \_\_\_\_\_ and have fun; we'll have a blast!

You'll have good memories of Collo class.

You can have a \_\_\_\_\_ that doesn't last,  
like when you have a cold but get over it fast.

You can have a \_\_\_\_\_ or have a paper to write and  
have trouble falling asleep at night.

You can have a bite of some delicious food.

Don't have a \_\_\_\_\_ on your face! Get out of your bad mood!

have a test, have trouble, have \_\_\_\_\_, have plans...  
have a good time...you have it in you.

When you have friends, you have the chance to  
have a great \_\_\_\_\_; you can have plans to  
have a get-together; if you have good weather,  
you can have a \_\_\_\_\_ in the park, or wherever.

Have a few laughs. Have a good time.

Have conversations on the grass in the sunshine...

having sips of pink \_\_\_\_\_.

Have an afternoon nap in the nice, cool shade.

If you have \_\_\_\_\_ you can bring them, too.

Have a softball game; have a family barbeque.
