

## My Summer Holiday

My summer holiday was \_\_\_\_\_ (great, good, okay, bad).

I did \_\_\_\_\_ (many, a few) things.

One thing I did was \_\_\_\_\_. Another thing I did was \_\_\_\_\_.

My favorite part of the summer was \_\_\_\_\_

\_\_\_\_\_.

I practiced my English \_\_\_\_\_ (a lot, some, a little) over the summer. I practiced it by \_\_\_\_\_  
\_\_\_\_\_ (reading books, using Duolingo, watching TV, going to summer school). I think my English is \_\_\_\_\_ (better, worse, the same) as it was when school ended in June.

I feel \_\_\_\_\_ (happy, feeling okay, sad) about being back in school. The best part about school is \_\_\_\_\_  
\_\_\_\_\_ (seeing friends, learning new things, seeing my teachers).

My big goal for this year is to \_\_\_\_\_  
\_\_\_\_\_ (work hard, work harder than I did last year, practice speaking English more, behave better in class, do my best, get to a secondary school).

I think it's going to be a \_\_\_\_\_ (great, good, okay, bad) year.
